1. I have just read your paper, "Islam and Economics." It is exceptionally well written and most valuable. I am particularly pleased to see this melding of cultural and economic disciplines in one paper. [redacted]

2. I am forwarding your paper directly to the President. [redacted] 25X1

3. In your foreword you note that your paper takes on only one aspect of Islamic life--the economic. I hope that others may be able to pick this up and do a similar task with respect to some of the other factors of Islamic life, especially the political and international. [redacted] 25X1
